

# The Friends of Les Beaucamps High School PTA Newsletter - Autumn Term

Welcome to our first PTA Newsletter. This is a new initiative to try and promote the PTA and hopefully raise awareness of the PTA and the interaction that we have with the Parents, Teachers and Pupils of Les Beaucamps High School.

We aim to send a newsletter to you each term to give you a regular update on the progress of the new school development, forthcoming fund raising events, update you on how money raised is being spent and give you the opportunity to help raise more funds for the school.

## AGM

The Annual General Meeting of the PTA was held on the 20th October 2011 with a poor attendance. The PTA will be changing the constitution of the PTA making it more 'Parent Friendly' as we all lead busy lives. But please remember any 'FREE' time or 'IDEAS' for fund raising you can provide the PTA are appreciated.

## Update on the New School

The new school development is progressing well and the project is on schedule for completion in September 2012 as can be seen by this photograph of the development. Visit the school website and see a 'live' webcam of the new build.

## WHAT DID THE PTA ACHIEVE LAST YEAR?

The PTA had more interaction with the pupils in 2010 / 11 and pupils gave their views and ideas at a PTA meeting and during school council meeting. The PTA attended a year 9-11 assembly and a radio interview 'aired on' Radio Guernsey during their visit to the school.

The ideas of pupils and parents to raise money for the school are very important to the PTA.

*In 2010/11 The PTA purchased new table tennis tables, two drum kits, funded part of year 11 end of term 'Ball' and the part-funded the Shakespeare in Schools t-shirts.*

## THE WAY FORWARD

The PTA hope that more parents will become involved in the PTA not necessarily by attending meetings but by providing support and ideas to raise money for the new school and more importantly the pupils. The money that we raise goes straight back to your children and helps to further their educational needs.

**A VERY WARM WELCOME TO 'NEW'  
YEAR 7 PARENTS**

## HIGHEST HIGH SCHOOL GCSE %

**Our Children are 'Not Failures'.** The recent press articles have raised concern with regard to the 2011 GCSE results. Our school achieved the highest % of A to C grades amongst all other Guernsey High Schools and the PTA commend the Head and his team in achieving this result.

**DO YOU HAVE FUND RAISING  
IDEAS OR WANT TO HELP?**

**IF SO PLEASE CONTACT THE  
PTA**

## WE RE-CYCLE MOBILE PHONES

**If you have any unwanted mobile phones please donate them to the PTA. This raised £129 in 2010/11. Let's aim to at least double this figure in 2012.**

**TELL YOUR FRIENDS**

**Thank you for your support  
and remember your PTA raise money for your children**
